Handlungsgrundlage	Straßengesetz von Baden-Württemberg (StrG): • § 16 Absatz 1 Satz 1 Sondernutzung Straßenverkehrs-Ordnung (StVO): • § 29 Absatz 2 Übermäßige Straßenbenutzung • § 45 Absatz 6 Verkehrszeichen und Verkehrseinrichtungen
Teaser	Events on public roads usually take up more space than is customary. You therefore require a permit to organise such events.
Volltext	Events on public roads usually take up more space than is customary. You therefore require a permit to organise such events. You need such a permit for the following events in particular: • Motorsport events with motorbikes • Races with motor vehicles • Special rally stages • Classic car events • Cycle races • Triathlon-Events • Popular cycling • Foot marches • Relay races • Public hikes • Parades • Street festivals • Traditional events • Markets • Driven hunts Parallel to the permit, a traffic order must be applied for from the traffic authority. Tip: Larger events on public roads must be carefully planned and organised, for example with regard to safety or environmental protection measures.
Erforderliche Unterlagen	• complete application, including necessary additional documents such as traffic sign plan, site plan, photos

Modul	Sachverhalt
	or sketches, which you must submit to the authorising authority on request • Proof of liability insurance cover • RSA qualification certificate in accordance with MVAS 99RSA stands for guidelines for the road safety of road works.
Voraussetzungen	• The organisation of the event on public roads is compatible with general traffic. • The routes are suitable. • You have taken adequate safety measures. • An organiser organises and runs the event responsibly. • There is adequate insurance cover. • Other relevant authorities have no objections.
Kosten	depending on the fee schedule and the workload of the competent authority They take into account, among other things • The nature and extent of the impact on the road • the economic interest of the applicant • The duration of the restriction of the road space Information can be obtained from the competent authority.
Verfahrensablauf	Apply for the permit and the traffic law order from the competent authority. You can do this in person, in writing or digitally. The local road traffic authority will draw up the authorisation requirementssitions together with • the person making the application, • the other authorities affected by the planned special use and the police • the police. The competent authority will send you, as the applicant, the approved application in the form of a traffic order, possibly with conditions and requirements, as well as the permit in the form of a notice.
Bearbeitungsdauer	Depending on the type, location and scope of the event: up to two months
Frist	Submit the application in good time, as the approval process can take up to 2 months for measures that require extensive coordination.
