Teaser	Have you noticed a defective or damaged traffic sign on the road? Then you can report it.
Volltext	Traffic on public roads is regulated by traffic signs and traffic facilities for reasons of safety and order, climate and environmental protection, health and urban development. Traffic signs include, for example • Traffic signs • road markings • traffic lights Traffic facilities are, for example • red and white striped barriers • Bollards and barrier railings • parking ticket machines Your road traffic authority is responsible for traffic signs and equipment. Defective or improperly installed traffic signs or traffic lights can become a danger on the road. The road traffic authority relies on faults being reported promptly. If you notice a fault or damage, you can report it. This may concern, for example • Traffic lights failure faulty timing Individual lights
