Frist	<p>The school transport statutes are drawn up individually by the districts and independent cities. Therefore, the deadlines in the school transport statutes of the respective district or independent city must be observed for the "travel allowance". The "travel allowance" is granted from the date of application. The application must be submitted before the start of the school year and proof of school attendance must be provided. If the application is submitted at a later date or if school attendance is terminated prematurely, the subsidy amount will be granted on a pro rata basis. Once the "reimbursement of travel costs" has been approved, the invoice for reimbursement of the necessary expenses for the journey to school can be issued. The statement must be submitted in writing to the district or independent city for the previous school year by the deadline specified in the school transportation statutes. The expenses incurred for</p>
