Erforderliche Unterlagen

- Written application for the issue of a lifetime fishing license
- Current passport photo
- identity card
- Original and copy of the certificate of having passed the fishing license examination or a comparable certificate of competence that exempts you from taking the fishing license examination

Comparable expert documents are

- Completed training as a fish farmer or vocational training equivalent to a fish farmer [see § 2 KüFVO and § 2 BiFVO]
- a completed university or university of applied sciences degree in fisheries (fisheries biologist, master's/bachelor's degree with specialization in fisheries biology, fisheries engineer, fisheries engineer)

Remark:

- Since 01.09.2005, the predatory fish qualification of the German Anglers' Association of the GDR in the DAV membership book no longer constitutes a document of expertise for the issue of a fishing license. The new fishing law of the state of Mecklenburg-Vorpommern ended the 12-year exchange campaign.
- The issue of a fishing license for life is subject to a fee. In addition to the fee, a levy is charged if a fishing tax stamp is issued (see fees and charges).

Voraussetzungen

The applicant must have reached the age of 14 (children < 14 years do not require a fishing license - but a fishing permit for the body of water) The applicant must declare that they have not been convicted of a criminal offense against fishing, animal welfare, water and environmental laws or theft of fish or fishing tackle in the five years prior to submitting the application. He/she must also declare that no fine proceedings have been conducted in the last three

	years prior to the application due to a violation of the above-mentioned regulations.
Kosten	<ul style="list-style-type: none"> • Fee for the fishing license for life (new, replacement, exchange): EUR 8.00 If the cost of issuing the fishing license is higher than usual due to special circumstances (e.g. missing documents must be obtained by the authority), a surcharge of up to 25% of the issuing fee may be levied. • In addition, a fishing tax stamp must be purchased for EUR 10.00 for the annual validity of the fishing license and affixed to the license.
Verfahrensablauf	<ul style="list-style-type: none"> • Application, • Examination of the application and the certificate of competence, • Payment of the fee, • issue of the document. <p>The following authorities are responsible for issuing fishing licenses for life:</p> <ul style="list-style-type: none"> • for persons who wish to fish as a leisure activity (anglers or sport fishermen): local regulatory authorities of the offices and independent municipalities in whose area the applicant has their main residence. • for persons who fish for a living (professional fishermen as a main or secondary occupation) or for scientific purposes (e.g. fisheries biologists as fisheries scientists): the State Office for Agriculture, Food Safety and Fisheries (LALLF M-V) as the higher fisheries authority.
Bearbeitungsdauer	usually 2 working days
Frist	None
weiterführende Informationen	In addition to the fishing license, every angler also needs a water-specific fishing permit, which can be obtained from the fishing authority (inland fisherman, fishing club, municipality) of the water. Fishing permits for the coastal waters of the state of M-V are issued by the upper fishing authority.
