Teaser	If you need financial support for your start-up project, you can obtain a microloan here.
Volltext	Who is supported? Natural persons who are not partners in partnerships or corporations and who wish to establish or expand a company in Mecklenburg-Vorpommern. What is supported? Business founders can receive interest-bearing loans to finance deductible operating expenses (investments and operating resources) before starting business activities and in the first 36 months after starting business activities in the context of a start-up or business succession.

Modul	Sachverhalt
	The grants are used to establish and expand economically sustainable self-employed businesses. How is funding provided? Before and in the first 36 months after the start of business operations: • Interest-bearing repayable installment loan of up to EUR 25,000 per business start-up in the event of a proven financing shortfall. The term of the loan can be up to 6 years and is repayment-free for up to 12 months. The interest rate is fixed and amounts to 4 percent per year on the remaining debt for the entire term of the loan. There is no legal entitlement to the granting of a loan.
Erforderliche Unterlagen	• Proof of required knowledge and skills in terms of expertise and business management • meaningful business concept • Professional statement from the relevant chambers or a suitable institution • Business registration/confirmation from the tax office to apply for freelance work
Voraussetzungen	• Main residence and future place of business in M-V • Self-employment as a full-time existence and personally independent without direct employee-like ties to a client
Kosten	none
Verfahrensablauf	A formal application must be submitted to the licensing authority.
Bearbeitungsdauer	Once all documents relevant to the grant have been submitted, the microloan is granted by means of a grant notification.
Frist	28.12.2023 - 31.12.2028
weiterführende Informationen	Applications must always be submitted in writing and signed to GSA - Gesellschaft für Struktur- und
