Teaser	If you would like to set up your own business, you can receive financial support if you take advantage of a start-up course and/or start-up advice.
Volltext	<p>Who is eligible for funding?</p> <p>Recipients of funding are natural persons who intend to become self-employed by setting up a business, taking over an existing business or taking up freelance work.</p> <p>The business must not have been founded or taken over at the time of application. Previous self-employment as a sideline is not eligible for funding.</p> <p>How is funding provided?</p> <p>The grant is awarded as part of project funding as partial financing in the form of a non-repayable subsidy. The amount of the grant is 80 percent of the eligible expenditure, up to a maximum of EUR 436.00 for participation in a business qualification course and a maximum of EUR 556.00 per day for the use of advisory and support services.</p>

## Modul

## Sachverhalt

The grant is made in the form of training vouchers for

- a) Participation in a course for basic business qualifications with 48 lessons of 45 minutes each,
- b) the use of advice and support from consultants or a consulting firm for up to two days of eight hours each.

In the case of business successions, two additional days of advice and support of eight hours each may be subsidized in justified cases in accordance with letter b). The consulting and support services must relate to the negotiation process between those interested in the transfer and those interested in the takeover (purchase price determination, financing, development of strategies for the continuation of the company and similar).

What is supported?

In the case of innovative technology-oriented start-ups or business successions, two additional days of advice and support, each lasting eight hours, can be subsidized in justified cases in accordance with letter b). The consulting and support services must relate to topics concerning industrial property rights, copyrights or patent searches.

The eligible expenses are

- the participation fee charged to the grant recipient by the training service provider for the training measure carried out in accordance with letter a, whereby a maximum participation fee of EUR 545.00 (net) per participant and course is taken into account, and
- the daily rates invoiced to the grant recipient for the consultancy and support services provided in accordance with letter b, whereby a maximum daily rate of EUR 695.00 (net) per participant per course is taken into account.

Discounts and rebates are not eligible for funding.

The training vouchers are valid for six months from the
