Teaser	Anyone who is entered in the list of structural engineers maintained by the Mecklenburg-Vorpommern Chamber of Engineers is authorized to prepare stability certificates in accordance with Section 66 (2) of the Mecklenburg-Vorpommern State Building Code.
Volltext	Anyone who fulfills the requirements stipulated in Section 66 (2) sentence 1 of the Mecklenburg-Vorpommern State Building Code shall be entered on application in the list of structural

Modul
Sachverhalt

engineers maintained by the Mecklenburg-Vorpommern Chamber of Engineers.

Engineers who are established in another member state of the European Union or in a state with equivalent status under European Community law for the preparation of stability certificates are authorized to prepare stability certificates without being entered in the list in accordance with Section 66 (2) sentence 1 of the Mecklenburg-Vorpommern State Building Regulations if they meet the requirements prescribed in Section 66 (2) sentence 5 of the Mecklenburg-Vorpommern State Building Regulations.

Erforderliche Unterlagen

The application for entry in the list of structural engineers must be accompanied by the following documents:

- Certificate of completion of a degree in structural engineering or civil engineering,
- Proof of practical experience in the field of structural engineering of at least three years,
- Reference list with own structural designs,
- three structural designs prepared by yourself,
- Police clearance certificate (not older than 6 months),
- curriculum vitae in tabular form.

Voraussetzungen

The requirements for entry in the list of structural engineers are

- a professionally qualifying university degree in architecture, structural engineering or civil engineering,
- at least three years of professional experience in structural engineering,
- Proof of the reliability required for the job
- confirmation of sufficient liability insurance.
