Teaser	In certain places, all dogs must be kept on a lead, and certain dogs are generally required to be kept on a lead. However, exceptions to these regulations are possible.
Volltext	All dogs must be kept on a lead at meetings, parades, public festivals, other public events and in sales outlets or zoos, as well as in places where the dog owner's ability to avoid other people or react is impaired. Exceptions apply to guide dogs for the blind and disabled, dogs of the rescue service and civil protection as well as service dogs of, for example, the police, customs and armed forces. Dangerous dogs are also subject to a general leash requirement. This does not apply to hunting and herding dogs and if they are used for their intended purpose (e.g. a hunting dog during a hunt).
