Teaser	Anyone wishing to practise falconry must be in possession of a valid hunting license and a valid falconry hunting license.
Volltext	The first issue of a falconry hunting license is dependent on the applicant having passed a falconry test in addition to the simplified hunting test (without shooting test). The applicant must demonstrate sufficient knowledge of the keeping, care and removal of birds of prey, the protection of birds of prey and falconry. A falconry hunting license is issued upon application to the competent lower hunting authority (place of residence). The prerequisite for the issue of a falconry hunting license is the issue of a hunting license.
Erforderliche Unterlagen	The following documents are required for the issue of a hunting license: • fully completed application for a hunting license from the competent lower hunting authority • Identity card/passport • Proof of sufficient hunting liability insurance for the requested term: minimum cover of EUR 50,000 for property damage, EUR 500,000 for personal injury • Lease or paid permit contract, if applicable • First issue: Examination certificate for passing the simplified hunting examination, certificate "competent person", photograph • New issue: hunting license The following documents are also required for the issue of a falconry hunting license: • Fully completed application for the issue of a falconry hunting license from the competent lower hunting authority

Modul
