Teaser	If your child is under the age of 12 and has a talent for shooting, you must apply to the relevant authority for a special permit if they wish to shoot at shooting ranges.
Volltext	The minimum age for shooting at shooting ranges is generally 12 years. In detail, the following applies • children aged 12 and over may shoot with compressed air weapons, spring-loaded weapons and weapons whose projectiles are propelled by cold propellant gases • young people between the ages of 14 and 18 may also shoot with firearms up to a caliber of 5.6 mm lFB (.22.l.r.) for rimfire ammunition with a maximum muzzle energy of 200 joules (J), as well as with single-shot long guns with smooth barrels with a

Modul	Sachverhalt
	maximum caliber of 12. Children and young people may only shoot if a written or electronic declaration of consent has been provided by their legal guardians and suitable supervisors for children and young people are present.
Erforderliche Unterlagen	• Medical certificate (e.g. from the family doctor, specialist in pediatrics and adolescent medicine) confirming the child's physical and mental aptitude for competitive shooting sports • Confirmation from the club about the child's shooting talent
Voraussetzungen	• mental and physical aptitude of the child for handling weapons • special shooting talent of the child
Kosten	Verwaltungsgebühr: 35€
Verfahrensablauf	You must apply for the special permit from the competent firearms authority. Submit the application together with the required documents. The weapons authority will issue the special permit if the requirements are met.
