Teaser	Under EU law, certain activities of the feed company require approval by the competent feed monitoring authority.
Volltext	Under EU law, feed business operators shall ensure that all establishments under their control (each installation of a feed business) are approved by the competent authority.

Modul	Sachverhalt
	Under federal law, feed business operators ensure that they are approved for certain activities by the competent authority. The application for approval must be made in writing or electronically to the competent authority.
Erforderliche Unterlagen	The information in the application form and, depending on the activity applied for, certain supporting documents may be required for admission.
Voraussetzungen	The prerequisite for approval is information on the company and the activity in the application form. You must provide the necessary evidence. You must comply with the relevant regulations. You pay the fees for the license.
Kosten	Verwaltungsgebühr: 490€ - 1.970€ for the approval of establishments in accordance with Section 29 of the Feedstuffs Ordinance, per establishment Verwaltungsgebühr: 62€ - 500€ for registration and authorization pursuant to Article 7(1) and (2) in conjunction with Annex IV, Chapter III(B) and (D), Chapter IV(D) and (E) of Regulation (EC) No 999/2001 Verwaltungsgebühr: 490€ - 2.460€ for the approval of establishments in accordance with Article 10 of Regulation (EC) No 183/2005 and Article 1 of Regulation (EC) No 141/2007
Verfahrensablauf	You apply for approval in writing by post or electronically by e-mail to the competent feed monitoring authority. The competent feed monitoring authority will check your application. The competent feed monitoring authority will carry out an on-site inspection. If your company meets all the requirements, the

Modul	Sachverhalt
	competent authority will issue an approval notice and a fee notice.
Bearbeitungsdauer	2 - 4 Woche(n)
Frist	Approval of the business must be applied for before commencing operations.
