| Teaser                        | If you are entitled to use the professional title "engineer" but cannot yet provide evidence of two years of practical engineering experience or if you are an engineering student, you can apply to be entered on the list of non-voting members.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| Volltext                      | As a member, you can take advantage of the services of the Mecklenburg-Vorpommern Chamber of Engineers. The chamber represents the interests of engineers in politics and business. It promotes exchange with other chambers and professional associations. You have the opportunity to work in committees, project groups and specialist groups of the chamber on a voluntary basis. As a non-voting member, you cannot yet have a say in important Chamber decisions. The Chamber offers members a comprehensive training program and other services.                                                                                                                                                                                                                                                                                                                                        |
