Teaser

Volltext

Experts or bodies wishing to carry out measurements of emissions and immissions or safety tests or tests of safety-related documentation at operators of installations subject to the provisions of the Federal Immission Protection Act (BImSchG) must have been

Modul
Sachverhalt

notified by the competent authorities in accordance with appropriate regulations.

The notification pursuant to Section 29b of the BImSchG shall only take place if the bodies or experts have previously demonstrated their competence and suitability. The requirements for the notification of "measuring points" or experts are based on the Notification Ordinance, the so-called 41st BImSchV and the respective guidelines of the Country Committee for Immission Protection for the notification of experts or bodies. Country-specific regulations do not exist in Mecklenburg-Western Pomerania.

After notification as a notified body or expert, registration takes place in the search system (ReSyMeSa), module Immission Protection.
