If you send your application by post or email, it will take a few days from the time you submit your application until you receive your postal voting documents. As a rule, you must have applied for a polling card no later than two days before election day at 6.00 pm. The postal voting documents must be received by the municipality by 6 p.m. on election day at the latest. If you have applied for a polling card but never received it, you can obtain a new polling card up to 12:00 noon on the day before election day. To do this, contact your city or municipal administration.
