Teaser	Are you registered in the register of skilled crafts with a craft that is subject to approval and would like to practice another craft? Then you can apply for a license to practice another craft under certain conditions.
Volltext	Persons who already practice a craft subject to licensing and wish to expand their commercial activity to another craft subject to licensing or to essential activities of such a craft have the option of applying for a license to practice. In this respect, proof of the knowledge and skills required for this is required, whereby previous professional experience and activities are also taken into account. It is irrelevant on what basis the existing entry in the register of skilled crafts was made (e.g. master craftsman's certificate, old journeyman's regulation, exemption permit). The respective business owner is entitled to apply. You can apply for an authorization to practice if you are

Modul

Sachverhalt

- you are already registered in the register of skilled crafts with a trade requiring approval.
 - you wish to engage in a further craft subject to licensing.
 - you can provide evidence of your practical and theoretical knowledge and skills in the craft for which you have applied.
- The master craftsman's examination is regarded as a reference for the specialist theoretical knowledge and skills to be proven.
- If you do not have any proof or if it is not sufficient, you can also apply for an authorization to practice. In this case, you must then prove your knowledge by passing an expert examination.

Erforderliche Unterlagen

- Application for a license to practice (§ 7a HwO)
- Proof of identification
- Proof of practical and theoretical knowledge in the craft subject to licensing for which you wish to be entered in the register of craftsmen. This includes:
 - Work certificates,
 - certificates of further education,
 - certificates of having passed parts of the master craftsman's examination
- Confirmation of regular participation in preparatory courses.

Voraussetzungen

- The following requirements must be met:
- A craft subject to licensing is already being practiced on the basis of an existing entry in the register of crafts.
 - Proof of the required knowledge and skills, taking into account previous professional experience and activities; possible means of proof are, for example, appraisals by experts, work certificates or further training.
 - The standard for the proof of qualification is the masterly qualification for the craft subject to licensing for which the authorization to practice is being sought.

Kosten

The specific fee results from the fee schedule of the Chamber of Crafts, which is available on the Chamber's website.

Verfahrensablauf

- Go to the website of your local Chamber of Skilled Crafts or to the service portal of your federal state and

Sachverhalt

select the right online service.

- The online service will guide you through the application step by step.
- You can submit the required documents digitally.
- Go to the website of your local Chamber of Skilled Crafts.
- Download the application forms for granting a license to practice.
- Complete the forms in full and send them to your local Chamber of Skilled Crafts along with the required evidence of your skills.
- Your application and the evidence will be examined by the Chamber of Skilled Crafts. If the evidence is not sufficient, you may have to take an expert examination.
- After your documents have been checked, you will receive a license to practice and a notice of registration if the requirements are met.

Bearbeitungsdauer

Frist

You can only exercise the other craft requiring authorization once it has been entered in the register of crafts. An authorization to practice must therefore be applied for at an appropriately early stage.
