Verfahrensablauf	<p>For recognition, the competent body will check on the basis of your certificates whether and to what extent your foreign qualification corresponds to a German qualification for the profession you intend to pursue. This review is based on defined formal criteria, such as the content and duration of the training. Your relevant professional experience is also taken into account, as are other relevant qualifications. For academic qualifications, you can apply for an assessment by the Central Office for Foreign Education (ZAB) at the Secretariat of the Standing Conference of the Ministers of Education and Cultural Affairs. Further information on German professions, recognition procedures and the relevant authorities can also be found on the "Recognition in Germany" portal. This internet portal provides quick and easy answers to questions about recognition, for example</p> <ul style="list-style-type: none"> • Do I have to have my professional qualification recognized? • Is recognition worthwhile for me? • Can I submit the application? Do I have a formal right to it? • Which authority do I need to contact? • What does the procedure look like? • What documents are required? What form must the documents take? • How long does the procedure take? • What does the procedure cost? • Which laws are relevant to my case? <p>In professions that require a state permit, the recognition procedure can also be carried out via the technical systems of the Point of Single Contact from January 18, 2016.</p> <p>https://wirtschaft.thueringen.de/wirtschaft/wirtschaftsverwaltung/einheitlicher-ansprechpartner-in-thueringen</p> <p>https://anabin.kmk.org/cms/public/startseite</p> <p>https://zab.kmk.org/de/zeugnisbewertung</p> <p>https://www.anerkennung-in-deutschland.de/html/de/index.php</p> <p>https://wirtschaft.thueringen.de/wirtschaft/wirtschaftsverwaltung/einheitlicher-ansprechpartner-in-thueringen</p>
