Teaser	You must notify the competent authority of the temporary and occasional exercise of your professional activity as a pharmacist within the framework of the provision of services under European law.
Volltext	If you are a national of a member state of the European Union (EU) or another contracting state of the Agreement on the European Economic Area (EEA) or a contracting state to which Germany and the European Community (EC) or Germany and the EU have contractually granted a corresponding legal entitlement that entitles you to practice the profession of pharmacist in one of the other member states of the EU, the EEA or a contracting state, you may temporarily and occasionally practice your profession as a pharmacist in Thuringia within the framework of the provision of services. You do not require a license to practice the profession. However, you are obliged to notify the competent Thuringian Chamber of Pharmacists in writing of your intention to practise the

profession in advance. The notification must be renewed once a year if you intend to provide services temporarily and occasionally during the year in question; the notification must be made before the start of the activity, in urgent cases the notification can be made immediately.

Erforderliche Unterlagen

If you are providing the service for the first time or if there has been a significant change to the situation certified in the documents, please submit the following documents to the Chamber of Pharmacists of Thuringia:

- proof of your nationality,
- your professional qualification certificate, proof of further medical training and title certificates, if applicable,
- a current certificate stating that you are legally established as a pharmacist in the other member state or contracting state, that you are not prohibited from practicing this profession, not even temporarily, at the time the certificate is submitted, and that you have no criminal record,
- information on the nature and duration of the intended temporary and occasional activity,
- proof of adequate professional indemnity insurance or collective protection with regard to professional indemnity and
- a declaration that you have the necessary knowledge of the German language to provide the service.

The documents must be submitted in the form of originals or certified copies. As a rule, your documents must be submitted in German or as a certified copy of a German translation. The translations must be prepared by interpreters or translators who are publicly appointed or sworn. The translations must be made from the original or from the certified copies. This must be certified by the translator.

If you submit your application electronically via the Point of Single Contact, only documents issued or recognized in a member state of the European Union or another state party to the Agreement on the European Economic Area can be submitted
