Volltext	As a graduate in architecture, you must complete your practical work under the supervision of a professional in the field of architecture or the Thuringian Chamber of Architects. Supervision takes the form of random checks on your work and performance. The supervising person / the Thuringian Chamber of Architects must ensure that you are taught the contents of § 1 Para. 3 No. 1 ThürAIKG during the practical activity. If the professional internship is to be completed outside the Federal Republic of Germany, the supervising person or body must be notified in advance to the Thuringia Chamber of Architects and approved by it. The professional internship completed in another Member State or in a country treated as such under European Union law may be recognized by the Thuringian Chamber of Architects under certain conditions. Practical professional activities completed in a third country may be taken into account. You must notify the Chamber of Architects of Thuringia
