	<ul style="list-style-type: none"> <li>• Up to 100% InnoPrepare for scientific institutions in the non-economic sector</li> </ul>
Erforderliche Unterlagen	<ul style="list-style-type: none"> <li>• The grant is awarded on application.</li> <li>• Applications for a grant must be submitted electronically via the online portal of the Thüringer Aufbaubank (TAB) using the forms provided. In addition, the written application must be submitted to the TAB, unless the electronic form replaces the written form.</li> <li>• When applying for the innovation voucher, the financial plan and all bids received for the external service contracts applied for must be submitted. As a rule, at least three offers should be obtained. If this number is not reached, special justification must be provided.</li> </ul>
Voraussetzungen	<p>The grant is possible under certain conditions:</p> <ul style="list-style-type: none"> <li>• The project must be carried out in Thuringia.</li> <li>• As part of the application, the project must be plausibly related to a field of specialization. For Thuringia Verbund, applications can only be submitted as part of a call for competition.</li> <li>• For Thuringia R&amp;D Individual and Thuringia Verbund Dynamik, a minimum score of 50% of the possible points must be achieved for the evaluation criteria, as well as at least 3 points for the criterion of economic exploitation potential.</li> <li>• Thuringia R&amp;D Individual applications must also score at least 3 points in the innovation content criterion.</li> <li>• For Thuringia Verbund Dynamik, at least 60% of the requested expenditure must be incurred by the companies from the date of receipt of the application (01.06.2023).</li> <li>• With InnoDecide, the prospects of success must always be the subject of the commission. The results and findings must be clearly assigned to the above-mentioned services in the study. If a service or the assignment is missing, the grant cannot be paid out.</li> <li>• A final report must be prepared. In the final report, the services applied for must each be presented in separate sections with a corresponding subheading or similar.</li> </ul>
