Teaser	As the person entitled to fish or, in the case of leasing, as the person entitled to exercise fishing rights, you must draw up conservation plans for fishing districts.
Volltext	If you are a fishing licensee or leaseholder of the fishing rights for a body of water, you must draw up a management plan for your fishing district and notify the competent authority of this. You do not need to draw up a management plan for fishing ponds and ponds that have been stocked with water for less than twelve years.
Erforderliche Unterlagen	• a management plan signed by the landlord and tenant, the content of which complies with the legal requirements complies with legal requirements • Use of the forms provided by the supreme fishing authority is recommended
Voraussetzungen	The specifications made in the management plan must comply with the provisions of fishing law and may not deviate from them. The management plan must contain at least the following measures and provisions:

Modul
Sachverhalt

1. the conservation objective, in particular the development and maintenance of a good fish population appropriate to the type of water body,
2. Measures to maintain the fish population, primarily through measures to preserve biocoenoses and biotopes,
3. measures for fish stocking,
4. measures to prevent animal diseases, to maintain fish health and to safeguard animal welfare,
5. measures following unforeseeable adverse effects on the fish population or the water body,
6. the extent of permitted fishing based on the scope of individual fishing rights and the food base,
7. monitoring the implementation of the management plan,
8. the statistical recording of catches and stocking,
9. measures to restore and improve fishing waters, primarily through measures to improve water quality and renaturation of damaged biotopes,
10. Community fishing events,
11. measures to prevent the introduction and spread of invasive species among fish.

Kosten

none

Verfahrensablauf

Draw up the conservation plan and submit it to the competent authority.

Bearbeitungsdauer
