had to be met when the permit was first issued are still met.

There will be no extension if the Federal Office for Migration and Refugees has notified you that the conditions for revocation of refugee recognition are met.

Furthermore, your residence permit will not be extended if you have been deported due to a particularly serious reason for deportation.

You must urgently ensure that you submit an application for an extension or issue of another residence title (e.g. a settlement permit) before your residence title expires. If the application is submitted in good time, i.e. before the expiry of the time limit, your continued residence is deemed to be permitted until the decision of the immigration authority with all subsequent effects (e.g. authorization to pursue gainful employment). A late application (after the end of the time limit specified in the residence permit) can result in considerable legal disadvantages.

Erforderliche Unterlagen

- Application for renewal
- current biometric photo
- previous residence permit
- Proof of identity, if available, e.g. passport, ID card, birth certificate, marriage certificate, certificate of citizenship
