## Verfahrensablauf

The residence permit must be applied for at the aliens' registration office responsible for your place of residence. The procedure is as follows:

- Depending on the foreigners authority and your concerns, it may be possible to apply via the Internet. Find out whether your foreigners authority offers electronic application for the residence permit. In the case of an electronic application, the Aliens' Registration Office will contact you after receiving your application to arrange an appointment at the Aliens' Registration Office. During the appointment, your supporting documents will be reviewed (bring them with you to the appointment).
- If the application can only be submitted in person, make an appointment with the Aliens' Registration Office. During the appointment, your application will be received and your supporting documents will be checked (bring them with you to the appointment).
- For the renewal of the electronic residence permit (eAT card), your fingerprints will be taken at the Aliens' Registration Office.
- After about six to eight weeks, you can pick up your eAT card at the Aliens' Registration Office. As a rule, you must pick it up in person.
- There are fees for the issuance of the residence permit. The timing as well as the form of payment varies depending on the authority.

To carry out the accelerated skilled worker procedure, the German employer contacts the foreigners authority responsible for the place of employment. Under certain circumstances, a central office has been set up in the federal state to carry out the procedure.
