Hinweise	<p>The key number B96 is valid throughout the European Union (EU).</p> <p>Apart from the key number B196, there is also the possibility of extending the driving license class B by the trailer class E. This makes it possible to drive even larger vehicle combinations. Thus, with driving license class BE, vehicle combinations consisting of a towing vehicle of class B and a trailer or semi-trailer can be driven, provided that the permissible total mass of the trailer or semi-trailer does not exceed 3,500 kg.</p> <p>The key number 196 is a national key number and is therefore only valid in Germany.</p> <p>With the registration of the key number B196 no driving license of the class A1 is acquired. For this reason, it cannot be used to upgrade to class A2, for example.</p>
