Teaser	If you operate a waste incineration plant or a combustion plant in which you co-incinerate waste, you must continuously measure, record and evaluate the pollutant emissions and prepare an annual measurement report on the results and submit it to the competent authority.
Volltext	<p>The Federal Immission Control Ordinance stipulates the conditions under which your company must submit a measurement report.</p> <p>If your company is obliged to submit a measurement report, you must prepare a measurement report for each calendar year.</p> <p>You can commission an accredited measuring institute or an expert to do this.</p>

Modul	Sachverhalt
	<p>Your measurement report must contain the following data, among others</p> <ul style="list-style-type: none"> • the mass concentrations of certain emissions • the volume content of oxygen in the flue gas and • the operating parameters required to assess proper operation, in particular <ul style="list-style-type: none"> • exhaust gas temperature, • exhaust gas volume flow, • moisture content and • pressure.
Erforderliche Unterlagen	<ul style="list-style-type: none"> • Complete measurement report
Voraussetzungen	<ul style="list-style-type: none"> • You operate a waste incineration or waste co-incineration plant that requires a permit. • You have put your plant into operation.
Kosten	Gebühr: Es fallen keine Kosten an
Verfahrensablauf	<p>Submit your measurement report in accordance with the specifications of the authority responsible under state law:</p> <ul style="list-style-type: none"> • For ongoing measurements, contact your responsible immission control authority. They will provide you with details on the type and scope of the necessary investigations. • You evaluate the continuous measurements of the respective calendar year. • You prepare a measurement report on the results. • You send your measurement report to the immission control authority responsible for you by March 31 each year. • You can commission an accredited measuring institute or an expert to evaluate the continuous measurements and/or prepare the measurement report.
Bearbeitungsdauer	
Frist	<ul style="list-style-type: none"> • You must submit the measurement report for each calendar year to the responsible immission control authority by March 31 of the following year. • You must keep the measurement report and the records of the measuring devices for at least 5 years after the end of

Modul	Sachverhalt
	the respective reporting period.
