Teaser	If you are planning measures for the benefit of the fishing industry in Thuringia, you can apply for financial support in advance.
Volltext	Thuringia has been successfully participating in the implementation of European funding programs in the fisheries sector for many years. The funding is intended to strengthen the fisheries sector in Thuringia in the areas of aquaculture and the fishing industry. If you are planning measures for the benefit of the fishing industry in Thuringia, you can apply for financial support in advance. Funding is primarily provided to existing fisheries and fish farms in order to strengthen the regional value chain and rural areas.
Erforderliche Unterlagen	
Voraussetzungen	Who is eligible for funding? • Aquaculture companies based or with a permanent establishment in Thuringia

Modul	Sachverhalt
	• Companies in the fishing industry (processing of fishery and aquaculture products) and aquaculture companies based or with a permanent establishment in Thuringia • Institutions conducting fisheries research. The results must serve the objectives of this directive in Thuringia and be made available to the Thuringian fishing industry. What can be funded? • Productive investments in aquaculture • Pond management and environmental services • Processing and marketing of fishery and aquaculture products
