Handlungsgrundlage	The legal framework for this in Germany is provided by - the Regulation (EU) 2021/2115 - the CAP Direct Payments Act (GAPDZG), - the CAP Conditionalities Act (GAPKondG, - the CAP Integrated Administration and Control System Act (GAPInVeKoSG), - the CAP Direct Payments Regulation (GAPDZV), - the CAP Conditionalities Regulation (GAPKondV), - the CAP Integrated Administration and Control System Regulation (GAPInVeKoSV), - the CAP Exemptions Regulation (GAPAusnV) - and the comprehensive national CAP Strategic Plan, which was approved by the EU Commission in the implementing decision of November 21, 2022.
Teaser	If they meet the relevant requirements, full-time and part-time farmers can apply for basic income support, redistributive income support, young farmer income support, coupled income support and eco-schemes via a collective application.
Volltext	Direct payments are area-based income subsidies that are decoupled or linked to the number of animals and specific payments for climate and the environment (eco-schemes) for agricultural enterprises. They are granted on the basis of the size of the area or the number of animals. In addition to the funding requirements, the

Modul	Sachverhalt
	conditionality obligations must also be complied with.
Erforderliche Unterlagen	The required documents can be found in the application service on the PORTIA agricultural portal. The basis is the collective application with its annexes.
Voraussetzungen	Direct payments are only granted to active farmers. Minimum farm size 1,0000 ha or at least € 225 direct payments in the application year Online geo-spatial application
Kosten	There are no fees.
Verfahrensablauf	Registration in PORTIA takes place via eID of the ID card via the Thuringian service account. The application is made and submitted completely online in the portal.
Bearbeitungsdauer	Approval and payment are made at the end of the fourth quarter of the respective year.
Frist	The application deadline is May 15 of the respective year.
