Volltext	<p>School transport is the necessary transportation of pupils to and from school. There is an entitlement to school transport</p> <ul style="list-style-type: none"> • for elementary school and special school pupils up to grade 4 if the journey to school is at least two kilometers, • for pupils at mainstream schools, grammar schools, comprehensive schools and special schools from grade 5 onwards and for pupils in the basic vocational training year, the vocational preparation year, the two-year technical secondary school and those vocational schools that do not provide a vocational qualification, if the distance to school is at least three kilometers. <p>There is no minimum limit if the journey to school poses a particular risk to the safety and health of the pupils or if pupils have to be transported due to a permanent or temporary disability. From grade 11 of the Gymnasium, including special schools and classes as well as the three-year Gymnasiale Oberstufe associated with the Gesamtschule or a school in accordance with § 4 Para. 4 ThürSchulG, parents or, in the case of pupils of full age, the pupils themselves, can contribute to the transportation costs. This also applies to pupils at vocational grammar schools, two-year technical colleges and vocational schools that</p>
