Teaser	If you do not have health insurance and only receive short-term subsistence assistance, you may be entitled to health benefits.
Volltext	<p>If you do not have health insurance and receive uninterrupted assistance for living expenses for a short period of time (probably less than one month), the social welfare office will provide the necessary medical care immediately by issuing a treatment certificate.</p> <p>This includes</p> <ul style="list-style-type: none"> <li>• Preventive health assistance for the prevention and early detection of illnesses</li> <li>• assistance in the event of illness</li> <li>• Help with family planning</li> <li>• Help with pregnancy and maternity</li> <li>• Assistance with sterilization</li> </ul> <p>The assistance corresponds to the benefits provided by statutory health insurance, including the obligation to make co-payments within the limits of the statutory health insurance.</p> <p>If "traditional" membership of a health insurance fund exists or can be arranged, this option has priority. If there is no right of access to health insurance in the normal way, registration by the social welfare office with a health insurance fund of the beneficiary's choice may be considered. If the requirements are not met (e.g. in the case of very short-term need), the social welfare office will provide the necessary assistance by</p>
