providers can be found on the websites of the respective IHKs.

Recognition can be requested for the basic course, advanced tank course, advanced class 1 course, advanced class 7 course and for refresher training.

## Erforderliche Unterlagen

The application must contain the following information, among others:

- specify the scope of the recognition (basic course, advanced course tank, advanced course class 1, advanced course class 7)
- the lesson plans for the initial training and refresher training based on the IHK course plans
- the location of the training, in particular for the practical parts of the course such as training and fire extinguishing location
- time allocation: the times, taking into account breaks and travel times to and from the training location for the practical parts of the course (travel times are not added to the planned teaching units)
- the assignment of topics to the subject sector of the respective course plan
- the type of teaching format (e.g. lecture, instructional discussion, technical media, film presentation, practical exercises)
- the identification of the practical parts
- the available teaching material
- The training facility and its equipment: As a course organizer, you must have the necessary premises for the theoretical teaching units of the partially practical parts of the course as well as the necessary training material. Your teaching staff must also be professionally and pedagogically qualified.

The responsible IHK can inspect your premises and the teaching materials. The IHK can also contact the persons you have specified as teaching staff in order to arrange appointments for any additional assessment interviews that may be required.

- Documents of the appointed teachers as proof of

**Sachverhalt**

their professional and methodological/didactic suitability

- Professional background
- Proof of general knowledge of dangerous goods

transportation law

- Proof of special knowledge for the respective

training parts

- Proof of the ability to impart knowledge in an

adult-oriented manner

- Presentation of a valid ADR certificate for all classes

(in tanks and other than in tanks)

- Declaration of willingness to act as an instructor

If the requirements are met, recognition will be confirmed by a certificate of recognition from the local Chamber of Industry and Commerce. This will indicate for which courses the training courses may be carried out.

**Voraussetzungen**

- Curriculum according to the course plans specified by the IHK
- Suitable premises and facilities, including for prescribed practical exercises
- Suitable teaching material
- Qualified teaching staff

**Kosten**

The fee for recognition is based on the applicable fee schedule of the local Chamber of Industry and Commerce.

**Verfahrensablauf**

You first apply for recognition as a training organizer at your local Chamber of Industry and Commerce (IHK).

- The IHK first checks the documents submitted, such as curricula and teaching materials.
- If necessary, representatives of the IHK will visit the training center and check its suitability on site. If necessary, assessment interviews are held with the teaching staff.
- Once the documents and training center have been checked, you will receive a notification of recognition from the IHK.

Modul	Sachverhalt
	Once your training facility has been recognized, you are permitted to offer training courses for dangerous goods officers within the scope of the permit.
Bearbeitungsdauer	Depending on the documents submitted, the application should be reviewed within three weeks of receipt. An assessment interview with the teaching staff may take longer to process.
