documents required to verify the recognition requirements, in particular

- the training program, in which the subject areas taught on the basis of the areas of knowledge listed in Annex 1 to the Ordinance on the Implementation of the Professional Driver Qualification Act as well as the planned implementation of the instruction and the teaching methods are to be described in more detail,
- Evidence of the number, qualifications and areas of activity of the instructors, including evidence of their didactic and pedagogical knowledge,
- details of the classrooms, the teaching materials, the teaching materials provided for practical training and the training vehicles used, and
- the planned maximum number of participants for the respective classroom.

Instructors in the practical part must have professional experience as

- 1\ professional driver,
- 2\ skilled driver,
- 3\ master driver or
- 4\ master craftsman for road transport

or appropriate driving experience, in particular as a driving instructor for trucks or buses.

We recommend that you consult with the Thuringian State Administration Office (Department 520) before submitting your application.

You must submit an application in written or electronic form, whereby you require individual recognition for each event location. Recognition can also be granted for several venues in one notification (if applied for at the same time).
