Teaser	
Volltext	Pursuant to § 26 of the Federal Immission Control Act (BImSchG), the competent supervisory authority may order the operator of an installation requiring a permit or - insofar as § 22 applies - of an installation not requiring a permit, to have the type and extent of the emissions emitted by the installation as well as the immissions in the area affected by the installation determined by a body notified to the competent authority pursuant to Land law if it is to be feared that the installation will cause harmful effects on the environment. In the case of installations requiring a permit, the

Modul

Sachverhalt

competent authority may

- after commissioning or a modification within the meaning of § 15 or § 16 of the Federal Immission Control Act (BImSchG) and thereafter
- after the expiry of a period of three years
- orders pursuant to § 26 even without the prerequisites specified therein.

The requirements for bodies to be notified pursuant to § 29b BImSchG as a body within the meaning of § 26 BImSchG and a statutory order issued on the basis of this Act are specified in the 41st BImSchV (Notification Ordinance BGBl. I p. 973,1001) or in the Certificate of Expertise for Investigations in the Field of Immission Control ("Immission Control Module"). The basic prerequisite for the announcement is the presentation of an accreditation by the Deutsche Akkreditierungsstelle GmbH (DAkkS).

Erforderliche Unterlagen

The completed application form for notification in accordance with § 26 BImSchG with the associated installations and the evidence required therein is required.

Voraussetzungen

Kosten

The range of fees in accordance with the Thuringian Administrative Cost Regulations for the Ministry of the Environment, Energy and Nature Conservation (ThürVwKostOMUEN) Annex Part A, Section 4, Number 2.3.11.2 is 150.00 to 2750.00 euros.

Verfahrensablauf

Bearbeitungsdauer

Pursuant to Section 12, Paragraph 2 of the 41st BImSchV, the procedure for reviewing the application for disclosure must be completed within four months. A prerequisite is the completeness of the application documents.

Frist

It is recommended to submit the application for disclosure with complete documentation at least four months before the planned activity as a body within the meaning of § 26 BImSchG.
