| Teaser | If you want to test counter samples and/or duplicate samples on behalf of a company, you need an authorization from the competent authority for this activity. You can find out more here. |
| Volltext | <p>As part of the official monitoring of foodstuffs and consumer goods in trade, at manufacturers or importers, random samples of foodstuffs, cosmetics, consumer goods and tobacco products are regularly taken to check their marketability.</p> <p>For official sampling, a part of the sample or a second piece of the same type must be left at the establishment or person to be sampled. This sample is officially closed or sealed.</p> <p>If you as a private expert (counter sample expert) wish to examine such a counter sample and/or second sample on behalf of a company, you require a license for this activity.</p> |
| Erforderliche Unterlagen | <ul style="list-style-type: none"> • Identity document • Complete curriculum vitae in tabular form • Official certificate of good conduct (document type O - for submission to an authority) |

Modul

Sachverhalt

- Declaration by the applicant that no criminal proceedings or investigations by the public prosecutor are pending against him/her
- Declaration that there are no grounds for exclusion pursuant to Section 2 (3) GPV and that the work as a cross-check expert can be carried out independently and free of any conflict of interest
- Proof of qualification:
 - Permission to use the professional title "food chemist" or
 - Certificate of the 2nd state examination or
 - license to practice as a veterinarian with proof of specialty veterinarian or
 - a university degree in natural sciences with proof of relevant specialist and legal knowledge.
- Proof of two years of examination and assessment experience in accordance with the attached "Instructions" with the requirements for the professional examination and assessment of counter or duplicate samples (Annex 1 to Section 2 (1) GPV)
 - If the company does not have its own office, confirmation from the owner that the samples may be examined on its premises and that the examination of the counter-samples can be carried out independently of instructions.
 - If approval for microbiological tests is applied for, a permit in accordance with the Infection Protection Act.
- Proof of accreditation (certificate and register) of the laboratory in which the samples are to be analyzed (DAkkS)
- Submission of the declaration of commitment (Annex 3 to Section 3 (5) GPV)

Voraussetzungen

You may only be approved as a cross-checking expert if you

- are a food chemist with a state examination as a state-certified food chemist or
- are a licensed veterinarian with a qualification as a specialist veterinarian in the field of investigation applied for approval or a specialist veterinarian for public veterinary services or
- have a university degree in natural sciences and can provide evidence of relevant specialist and legal knowledge in the form of suitable documents. If

Modul

Sachverhalt

necessary, you must explain the documents to the competent authority.

An authorization also requires that you

- be able to provide evidence of two years of testing and assessment experience in the area of investigation applied for, taking into account the requirements specified in Annex 1 of the Counter Sampling Ordinance, and
- have a testing laboratory in accordance with § 5 GPV (ISO 17025-accredited) that has the appropriate accreditation for the area of investigation applied for.

Persons who have the following reasons for exclusion in accordance with Section 2 (3) GPV will not be admitted:

- not reliable
- Activity in official food, feed and commodities monitoring, including testing
- expected conflicts of interest when carrying out the work as a cross-checking expert

Kosten

A fee range of EUR 150 to EUR 900 has been set for the granting of approval as a cross-check expert.

Verfahrensablauf

- For approval as a cross-checking expert, you must submit an application in writing or electronically to the competent authority of the federal state in which your head office is located.
- The application must state the area of investigation for which you are applying for approval. The application must be accompanied by the required documents and the information requested therein must be provided.
- The competent authority will grant approval if the requirements for approval are met, there are no grounds for refusal and you have signed a declaration of commitment in accordance with the specimen in Annex 3 to the Crosscheck Ordinance.
