will examine your application and issue an official certificate of competence for the animal categories and stunning and killing procedures for which you have been able to prove your competence. - Finally, you will receive by mail your official certificate of competence or, if applicable, information about the rejection of your application.

Notify changes If there are any changes to your information, notify your competent authority of these changes.

## Bearbeitungsdauer

A decision on the application for a certificate of competence is made within 20 working days. The period begins with the receipt of the complete documents. It may be reasonably extended once if justified by the difficulty of the matter.

## Frist

The official certificate of competence is valid indefinitely.

## weiterführende Informationen

### Hinweise

Various training institutes are commissioned by the state authorities to conduct courses in the killing of vertebrate animals. Find out about this directly from the respective provider or from the responsible veterinary and food control office.

In the case of not insignificant violations of the legal requirements, the withdrawal of the certificate of competence must be expected.

In connection with the killing and stunning of vertebrates and other animals, requirements are also placed on the expertise or knowledge and skills of the person in the case of non-entrepreneurial activities. Please ask your responsible veterinary and food monitoring office which requirements you have to fulfill within the scope of the intended activity.

## Rechtsbehelf

You can appeal against the decision on your application or against a decision that was not made in due time in accordance with the Administrative Court Code (objection, if necessary action before the
