Specifically, the Advocate can do the following:

- Requesting the father to acknowledge paternity and recording the necessary documents.
- Arranging for the paternity to be clarified by the court
- Calculation of your child's maintenance entitlement
- Regular review of the child support claim
- Recording of a deed of support
- judicial enforcement of the maintenance claim
- Collection and control of alimony payments
- Determining the whereabouts and employer of the parent liable for maintenance payments
- Initiation of enforcement measures

You can terminate the guardianship at any time by written declaration.
