Teaser	You must apply for a special permit to set off small fireworks outside the turn of the year.
Volltext	On December 31 and January 1 of each year, you may set off pyrotechnic articles in category F2 (low-risk fireworks that can only be used outdoors) without a special permit from the authorities. On the other days of the year, this is only permitted for holders of an explosives permit or a certificate of competence. If you wish to set off small fireworks with category 2 pyrotechnic articles in the period from January 2 to December 30 without a permit or certificate of competence, you will require an exemption permit. The competent authority can grant you this.
Erforderliche Unterlagen	• Name and address of the applicant • Name and address of the performer (if different from the applicant) • Exact occasion of the fireworks display • Enclose proof of the stated occasion • Specification of the exact location, date and time with start and end of the fireworks display • Distances to particularly sensitive buildings and installations etc. • Proof of liability insurance for the performer
