Teaser	Would you like to deepen your knowledge through further training or acquire new knowledge? Then use the Rhineland-Palatinate further education portal to find the right offer for your needs.
Volltext	There are a large number of institutions in Rhineland-Palatinate offering a wide range of continuing education courses. Publicly funded continuing education institutions include, for example, the adult education centres and recognized state organizations in Rhineland-Palatinate, the chambers and private providers. The offerings include general and vocational continuing education in the areas of business, technology, computers, languages, social/health, society, culture, personality and school-leaving qualifications. The Rhineland-Palatinate continuing education portal bundles these offers state-wide in terms of topics and target groups. This should make it easier for you to find suitable further education courses. You can use the search function to search specifically for further education institutions or further education courses. In addition, you will find a comprehensive glossary of education as well as information on planning and financing continuing education in the continuing education portal. https://weiterbildungsportal.rlp.de/ https://weiterbildungsportal.rlp.de/
