Teaser	If you want to practice the profession of pharmacist in Germany without restrictions, you need a state license, the Approbation.
Volltext	After successfully completing your pharmacy studies, you can apply for a license to practice as a pharmacist. With the granting of the license to practice as a pharmacist, you are entitled to practice the profession of pharmacist in Germany independently and on your own responsibility. The license is granted for an unlimited period and is valid for the entire Federal Republic of Germany.
Erforderliche Unterlagen	• Proof of identity • Birth certificate or a current extract from the parents' family register • If applicable, marriage certificate/registered civil partnership (proof in case of name change) • Curriculum vitae in table form • An official certificate of good conduct (document type O), which must have been issued no earlier than one month prior to submission. • The certificate of passing the pharmaceutical examination • A statement as to whether there are any criminal proceedings pending against the applicant or any preliminary proceedings by the public prosecutor's office • Medical certificate, not older than one month, stating that the applicant is not unfit to practice the profession from a health point of view.
Voraussetzungen	The license to practice as a pharmacist is granted upon application if you:

Modul	Sachverhalt
	• have completed the prescribed training and passed the state examination. • have not been guilty of any conduct which would render you unworthy or unreliable to practice as a pharmacist • are not unfit for the practice of the profession from a health point of view, • have the knowledge of the German language required for the practice of the profession.
Kosten	Is based on the respective administrative fee regulations of the state or on the fee statutes of the bodies responsible under state law. 200,00 EUR
Verfahrensablauf	• You submit the application for licensure, including all required documents, to the responsible office. • The responsible licensing authority checks the completeness of the submitted documents and whether the legal requirements can be sufficiently proven. • Missing or insufficiently submitted documents will be requested by the responsible licensing authority, if necessary. • The responsible licensing authority checks the licensing requirements. • After positive completion, an Approbation certificate will be issued or delivered to you against acknowledgement of receipt.
Bearbeitungsdauer	The processing time varies between the competent licensing authorities of the federal states.
Frist	You do not have to observe any statutory deadlines when submitting your application.
weiterführende Informationen	
Hinweise	There are no clues or specifics.
Rechtsbehelf	Objection (depending on state law, the objection may be excluded), administrative court action

Modul	Sachverhalt
Kurztext	• Licensing as a pharmacist • In order to be able to work as a pharmacist in Germany, a separate professional license, the Approbation, is required. • The license is granted upon application • Prerequisite for the application in the procedure for the regular Approbation is the training within the Federal Republic of Germany. • In the case of training completed abroad, equivalence must first be established. • Competent body: Competent body of the country in which the applicant passed the third section of the Pharmaceutical Examination.
