Sachverhalt

There are often several weeks between drawing up the articles of association and entry in the commercial register. You should therefore check that the articles of association are up to date before registering.

Special features apply to the *Unternehmergesellschaft*: This is a special legal form variant of the GmbH to which all regulations of the GmbH Act apply, unless there are expressly deviating special regulations. The share capital of the entrepreneurial company must be at least EUR 1.00 and may not exceed EUR 24,999.00. The name of the company must be "*Unternehmergesellschaft (haftungsbeschränkt)*" or "*UG (haftungsbeschränkt)*". The share capital must be paid up in full before registration in the commercial register, whereby contributions in kind are prohibited.
