Teaser	Do you want to work as an educator? Then you need to be recognized by the state.
Volltext	**Recognizing foreign professional qualifications** Equivalence is checked with the qualification "State-recognized educator", which is awarded in Rhineland-Palatinate at technical colleges for social work, specializing in social pedagogy. If there is no comprehensive equivalence, it will be checked whether recognition is possible for sub-areas in the field of activity of the educator profession (e.g. kindergarten,
