Modul

Sachverhalt

- Certificate of completion of the general dental year
- Proof of training acquired abroad (diplomas, specialist dentist designations)
- Translated and certified copy of the relevant study or examination regulations in force at the time of obtaining the qualification
- Proof of relevant professional experience (detailed certificates, bills of records) and other evidence of formal qualifications, if necessary to establish equivalence.
- Certificate of entitlement to practise in the country of training
- If applicable, declaration of conformity in accordance with Directive 2005/36/EC
- If applicable, a decision on the determination of equivalence

The documents must be submitted in the form of originals or certified copies in German or as a certified copy of a German translation. Translations must be carried out by interpreters or translators who are publicly appointed or sworn. Translations must be made from the original or from certified copies. This must be certified by the translator.

Voraussetzungen

The recognition of your specialist dental qualification and the work as a specialist dentist are only possible if you already have a valid licence to practise medicine in Germany. This means that you must first have applied for your qualification as a dentist at the competent authority and received the approbation/professional permit (information at: <https://lsjv.rlp.de/de/unsere-Aufgaben/arbeit/akademische-heilberufe/approbationen-und-berufserlaubnisse/>). After that, you can apply for recognition of your specialist dental qualification.

You must prove your German language skills when granting your licence to practise medicine/professional licence. Your German language skills will not be checked again for the recognition of specialist dentists.
