Teaser	If your child is traveling abroad without you, we recommend that you provide a declaration of consent. In some countries, the declaration is mandatory and must also be notarized.
Volltext	<p>If your underage child is traveling abroad without you, it is advisable to provide the child with an informal declaration of consent in addition to the required identification documents. This is your declaration that you agree to the trip abroad.</p> <p>The declaration of consent should contain the following information</p> <ul style="list-style-type: none"> • Personal details of the child • Your personal details and how you can be contacted • itinerary • If applicable, the personal details of accompanying adults <p>If the child has a different surname to you, it is advisable to enclose a copy of the birth certificate.</p> <p>In some countries, the declaration of consent is not only recommended, but mandatory. You may also need to have the declaration notarized and, if necessary, submit a translation of the entire declaration of consent into the local language.</p> <p>You can find the relevant regulations for the individual destination countries in the travel and safety information issued by the Federal Foreign Office. If you require further information, you can also contact the diplomatic mission of the destination country in</p>

search systems and can be established at the exit check. If it is particularly urgent, please report the matter to your local police authority - and also if you have reasonable grounds to suspect that the child's welfare could be endangered in any other way.

Rechtsbehelf

Kurztext

- When traveling without a parent or guardian, minors should ideally have their declaration of consent with them
 - Declaration shows that the parents or parent agree to the trip abroad
 - Content of the certificate:
 - Personal details of the minor child
 - Personal details and contact details of the legal guardian
 - Personal details of accompanying adults, if applicable
 - Itinerary
- For children with a different surname, a copy of the birth certificate is recommended
 - In some countries, a declaration of consent is mandatory
 - certification of the declaration may also be required
 - Translation of the declaration of consent into the national language may also be necessary
 - Information on this can be found in the travel and security information of the Federal Foreign Office
 - Further information from the respective diplomatic mission in Germany
 - Notarization is available, for example, from
 - a notary public
 - an authority such as the municipal administration
- A declaration of consent may also be necessary if the child is only traveling with one parent, although both parents share custody. In this case, a declaration of consent from the other custodial parent is required or a court custody decision
