Volltext	<p>The tax administration's service portal at www.elster.de has been set up for the electronic submission of tax returns. It primarily offers citizens, companies, associations and organizations the option of submitting their tax returns electronically, but also provides information on many tax forms. The electronic and in some cases already paperless version of the tax return is made available to you free of charge by the tax authorities. With "ELSTER: Your online tax office", you can deal with many tax matters directly and easily on your PC, smartphone or tablet. In addition to instructions for completing the forms, this includes functions for paperless transmission of the tax return to the tax office, for calculating the tax due on the declared income and for comparing notices.</p> <p>At www.elster.de you will also find information on, for example, income tax returns, trade tax and corporation tax returns as well as advance VAT returns, recapitulative statements, wage tax returns, wage tax certificates and capital gains tax returns. You can find the tax forms on the website of the Federal Tax Administration's forms management system (FMS): www.formulare-bfinv.de. Paper forms are also available at every tax office.</p> <p>However, there are no longer any forms available in the form management system for tax returns which, by</p>

Sachverhalt

If you would like to or have to submit your tax return online, you can find all the information you need at www.elster.de.

What advantages does the electronic income tax return (ELSTER) offer?

Commercial tax return programs or the free service portal "ELSTER: Your online tax office" from the tax authorities can be used for electronic tax returns. The electronic transmission offers active completion aids as well as functions for calculating taxes and comparing assessments. At www.elster.de you will find all further information on submitting an electronic tax return.

How does the "ELSTER: Your online tax office" service portal work?

The tax portal "ELSTER: Your online tax office" offers you the option of submitting your tax return electronically. This electronic and in some cases already paperless version of the tax return is provided to you free of charge by the tax authorities. The tax portal "ELSTER: Ihr Online-Finanzamt" is an Internet portal solution that bundles the online services of the tax administration. With "ELSTER: Ihr Online-Finanzamt", many tax matters can be dealt with directly and easily on a PC, smartphone or tablet. In addition to instructions for completing the forms, this includes functions for the paperless transmission of the tax return to the tax office, for calculating the tax due on the declared income and for reconciling tax assessment notices. At www.elster.de you will also find further information, e.g. on income tax returns, trade tax and corporation tax returns as well as advance VAT returns, recapitulative statements, wage tax returns, wage tax certificates and capital gains tax returns.
