Volltext	Registration with the Rhineland-Palatinate Chamber of Architects is the basis for using the protected professional titles "architect", "interior architect", "landscape architect" and "urban planner". Membership is associated with the authorization to submit building plans for architects and the limited authorization to submit building plans for interior designers in accordance with Section 64 (2) LBauO. The nationality of the applicant is irrelevant for entry in the list of architects. Do you have a German university degree? If so, please refer to "List of architects registration of German applicants". If you completed your university degree abroad, please refer to "List of architects for foreign applicants".
