Teaser	Would you like to become self-employed in a health or healthcare profession? Find out more here.
Volltext	Many health care professionals such as occupational therapy, physiotherapy, speech therapy and podiatry etc. decide to have their own practice. If you want to work as a doctor, you must first be licensed yourself. This is done by the Association of Statutory Health Insurance Physicians. The following applies to all professional groups in the healthcare sector: If you wish to practice your profession independently, you must register this with the competent health authority. In the future, you will also have to announce all changes to your practice in a
