Kosten	None.
Verfahrensablauf	The second state examination is a prerequisite for admission to the preparatory service for the respective teaching position.

Modul

Sachverhalt

The second state examination consists of a practical examination and an oral examination.

The practical examination consists of one examination lesson in each of the two subjects in which the teaching qualification is to be acquired.

The oral examination comprises

- a partial examination in one of the two subjects or in one of the two focal points of special educational support with a presentation of a subject-related teaching project or a support plan based on the candidate's own practical teaching experience as well as in the didactics and methodology of the examination subject,
- a partial examination in the other examination subject in the didactics and methodology of the subject or in education and teaching in the other focus of special educational support,
- a partial examination on the practical implementation of educational science aspects as well as on school law and civil service law
