Teaser	Under what circumstances is the residence permit renewed?
Volltext	<p>Residence permits are issued for a limited period of time. An extension is possible if the conditions that must be met at the time of the first grant are still met.</p> <p>There will be no extension if the Federal Office for Migration and Refugees has notified that the conditions for revoking refugee recognition are met.</p> <p>In addition, your residence permit will not be renewed if you have been expelled due to a particularly serious interest in expulsion.</p> <p>You must urgently ensure that you submit an application for the extension or issuance of another residence permit (e.g. a settlement permit) before the expiry of the period of validity of your residence permit. If the application is submitted in good time, i.e. before the expiry of the time limit, further residence is deemed to be permitted until the decision of the Foreigners' Registration Office with all subsequent</p>
