Teaser	If you would like to apply for a permanent position in the Rhineland-Palatinate public education system, you must provide proof of recognition of your foreign teaching qualification.
Volltext	Upon your application, the Ministry of Education can examine the professional recognition of the profession of teacher in the public school service regulated in Germany and determine the recognition as a teaching qualification with a teaching qualification acquired in Rhineland-Palatinate.
Erforderliche Unterlagen	<ul style="list-style-type: none"> • Application (see applications/forms), • Tabular list of completed training courses and work experience as a teacher, • Proof of citizenship of a member state of the European Union, an EEA state or a state treated as such by agreement, • Proof of training within the meaning of Directive 2005/36/EC, including overviews of subjects and grades as well as proof of the duration of training, or other

Sachverhalt

comparable proof of qualification,

- Proof of the course content of the completed training to obtain the teaching qualification,
- Marriage certificate or civil partnership certificate if the current name differs from the name on the training certificate or the qualification certificate,
- Certificates of the type and duration of previous teaching activities,
- a declaration as to whether and, if so, with what result, a corresponding application has been submitted, an adaptation period has been completed or an aptitude test has been taken in another country of the Federal Republic of Germany.
- The study regulations and the examination regulations for obtaining the teaching qualification must be submitted on request.
- Further documents required for recognition may be requested subsequently.

Voraussetzungen

If you have acquired your teaching qualification in an EU state, an EEA state or a state with equivalent status under an agreement, this can be recognized as a qualification for an equivalent teaching position at schools in Rhineland-Palatinate if

- you are a national of a member state of the European Union (EU), another state party to the Agreement on the European Economic Area (EEA, currently Iceland, Norway, Liechtenstein) or a state treated as such by agreement (currently Switzerland),
- your certificate of professional qualification was issued by the competent authority of an EU member state, an EEA state or a state treated as such by agreement,
- your professional qualification certificate entitles you to direct access to the teaching profession in your country of origin and the job description essentially corresponds to the job description for the respective teaching profession in Rhineland-Palatinate,
- the training required to obtain the professional qualification, taking into account any relevant professional experience or other formally recognized knowledge, skills and competences, does not differ significantly from the training required in Rhineland-Palatinate for the respective teaching
