Teaser	If you cannot be issued a death certificate after reporting a death due to missing data, you can have the report of the death certified.
Volltext	If you cannot be issued a death certificate after reporting a death due to missing data or proof, you can have the notification of death certified. This certificate serves as proof that you have complied with your duty of notification. You can use the certificate to prove that the death has been duly reported. The notification is a prerequisite for the burial of the deceased person.
Erforderliche Unterlagen	None
Voraussetzungen	• The death must be reported by you to the registry office in whose district the death occurred. • The notarization of the death reported by you must be postponed by the competent registry office due to missing data or evidence.
Kosten	There are no fees.
Verfahrensablauf	You can apply for the certificate of notification and deferral of notarization verbally or in writing at the registry office. • Submit the application for the certificate to the relevant registry office. • The registry office will check your details and issue the certificate if necessary. • The registry office will send you the certificate of registration by post if no personal collection has been
