| Teaser                        | If you have any questions about the drinking water supply, you can contact the responsible authority.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| Volltext                      | <p>The population is supplied with drinking water by the local water supply companies. Information on the respective water supplier can be obtained from the municipal or city administration.</p> <p>The provision of drinking water to citizens or customers must cover costs. The respective water supplier therefore charges a fee for the direct supply of drinking water, which, depending on the calculation basis, is divided into a basic fee and a fee per cubic meter consumed or is only a volume fee.</p> <p>As a customer, you will receive a one-off contribution to the costs of the new connection. The respective water supplier therefore charges a fee for the direct supply of drinking water, which, depending on the calculation basis, is divided into a basic fee and a fee per cubic meter consumed or is only a volume fee.</p> |
| Erforderliche Unterlagen      | You must ask the respective water supplier which documents are required for the specific occasion. They have often published corresponding information on their homepage.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| Voraussetzungen               |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| Kosten                        | You can find out the amount of the drinking water costs and the connection costs from the water supplier.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |

| Modul                        | Sachverhalt                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
