|                              | planned extraction. This may only exceed 50 years if this is necessary in view of the investments normally required for extraction. If you do not commence extraction within 3 years of the permit being issued, the permit may be revoked. The same applies if you interrupt your extraction work for longer than 3 years.                                                                                                                                                                                                                                                                                                                                                                      |
